Gift Aid increases the value of your donations, including your existing membership if you are a member of Butterfly Conservation. For every pound you give us, we receive an extra 25 pence from the government. To qualify for Gift Aid, what you pay in income tax or capital gains must at least equal the amount we will claim in the tax year. If you have already made a Gift Aid declaration with Butterfly Conservation you do not need to do so again.

I would like Butterfly Conservation to treat all donations I have made for the six years prior to this year and all donations I make from the date of this declaration until I notify you otherwise as Gift Aid donations.
