

## Butterfly friendly gardening - Planting Plans

**Butterfly  
Conservation**

Saving butterflies, moths and our environment

### Planting for Containers Based on 60cm half barrel

### Other good butterfly plants to grow in pots:

African marigolds  
Dahlia (Coltness hybrids)  
nasturtium  
scabious (annual)  
Drumstick primulas  
primulas  
wallflowers  
thyme  
Birds-foot trefoil  
hebe  
Phlox paniculata  
Ice plant  
Red valerian

#### Top tip...

Plants grown in containers will need daily watering to keep them producing nectar. If you can have more than one tub place them close together with minimal bare ground between them.
