

Butterfly Doily or Stencil

Make a pretty doily to decorate your cake board, or a stencil to dust icing sugar over your cake.

You will need:
1 sheet A4 paper
A printer
Sharp scissors

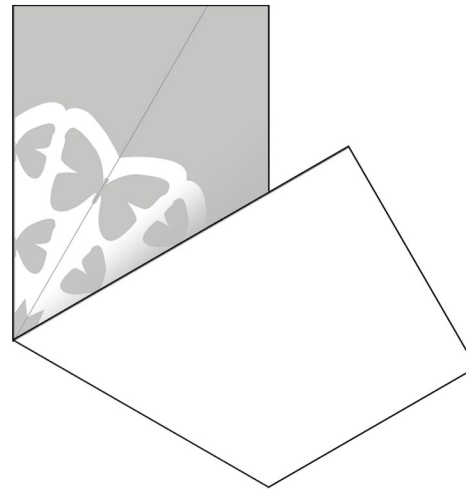

Figure 1

Step 1:
Fold your doily template in half (keeping the pattern on the front) to make Figure 1.

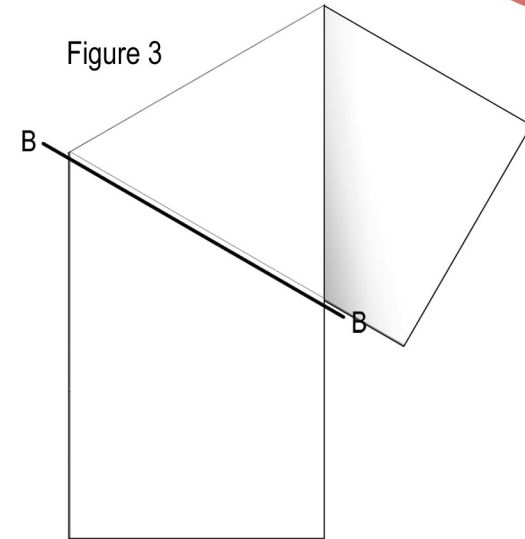

Step 2:
Fold the bottom of the paper up along line A:A to make Figure 2.

Figure 2

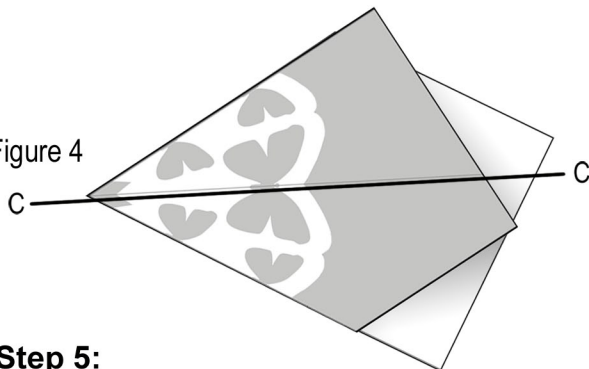

Step 3:
Flip your paper over to form Figure 3.

Figure 3

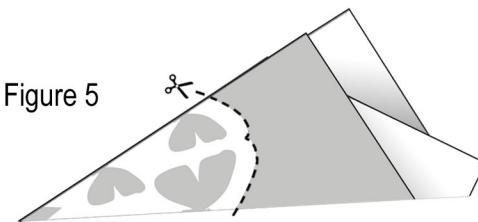

Step 4:
Fold lower third up along line B:B to form Figure 4.

Figure 4

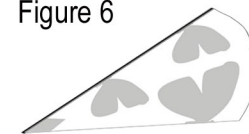

Step 5:
Keeping the pattern on the outside, fold along line C:C to make Figure 5.

Figure 5

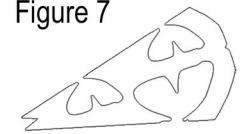

Step 6:
To make a doily, use sharp scissors to carefully cut along the dotted line to form Figure 6. To make a stencil, skip this step.

Figure 6

Step 7:
Carefully cut out all the areas coloured grey to form Figure 7.

Figure 7

Step 8:
Unfold your paper to reveal your creation!
